
有一種需要叫做「你的不需要正是我的需要」

您曾為喜歡的人打圍巾嗎？

或您現正處於打毛線送人的狀態？

凡打過毛線者必定知道，如欲完成一件織品，毛線必得多買，於是在完成織物後總有餘料。若您正好有些背負少年少女情懷總是詩，或暖心長輩留下的情感物件，以至於心靈包袱過重，無法在物質世界割捨的毛線餘料，歡迎您提供給菲比作為創作媒材，菲比將把它們放入創作中，為它續一場鮮活生命。

若您願意無償提供于菲比作為創作媒材，請來信phebea@gmail.com。菲比會提供郵寄地址（沒錯，這代表您也得贊助菲比毛線郵寄費。所以！請考慮您是否真心願意在情感與金錢雙方面贊助菲比）。

There is a need that says, "**What you don't need is exactly what I need.**"

Have you ever knitted a scarf for someone you love?

Or are you currently knitting something as a gift for someone?

As anyone who has knitted knows, you inevitably have to buy extra yarn to complete a project. Consequently, there are always leftover yarn scraps after the item is finished. If you happen to have these emotionally objects—laden with the poetic sentiments of youth or left behind by a warm-hearted elder, and **the mental burden is too heavy to discard them in the material world**, you are welcome to provide them to Phebea as creative material. **Phebea will incorporate them into her artwork, giving them a vibrant second life.**

If you are willing to donate these materials to Phebea for her artwork free of charge, please email phebea@gmail.com. Phebea will provide the mailing address (yes, this means you will also have to cover the cost of postage for the yarn). Therefore! Please consider if you are truly willing to sponsor Phebea in both emotional and financial aspects.
